

PRIZE WINNERS' DAY FOR BROOKLYN BABIES AT WILLOUGHBY HOUSE

More than Thirty Receive
Awards of Cash in Evening
World Competition.

To-day is prize winners' day in the Better Babies Contest organized by The Evening World and the Babies' Welfare Association at Willoughby House, Brooklyn. At 4 o'clock this afternoon more than thirty youngsters and their mothers will be made happy with the presentation of the money prizes and certificates of honorable mention offered by The Evening World.

Dr. John Crawford, who was in charge of the examining physicians in the contest, will present the prizes. The little contestants are divided into four classes, according to age, from three months to nine months, from nine months to eighteen months, from eighteen months to three years, and from three years to five years.

In each class a prize of \$7 will be given to the child who has improved most between the time of the preliminary examination, in January, and the final examination three months later.

Also a prize of \$5 will be given to the best boy or girl in each class. Furthermore, about twenty-five certificates of honorable mention will be divided among the children in the four classes who come next to the prize winners.

To save unnecessary confusion, only the babies who will receive prizes or certificates, together with their mothers, have been asked to attend the awarding this afternoon. But every mother who entered a child in this contest has already received substantial reward in the instruction in the care of children given at the lectures and examinations.

Detectives Roche and Donnelly of the Fourth avenue station recognized the pig as the property of Frank Smith, a butcher of No. 419 Fifth avenue. Smith was taken to the station and the pig was left at Thirty-first street and Third avenue.

The boys, Anthony Donnelly, fourteen, of No. 869 Third avenue, and Eugene Dives, thirteen, of No. 303 Third avenue, admitted that they had taken the horse and carriage. They said they had planned to walk to Coney Island, but walking was warm work, and they couldn't resist the temptation to take the rig and go for a joy ride. The boys were sent to the Children's Society.

BEILLOT MAKES RECORD ON MOTOR SPEEDWAY.

INDIANAPOLIS, Ind., May 28.—Auto-racing record continued to fall at the Indianapolis Motor Speedway, where elimination trials for the 500-mile race Saturday are being held. George Beillot, in a French car, drove a lap of the two and a half-mile track in 30.15, or at the rate of a fraction less than 100 miles an hour. This not only beats the Speedway record, but is a new United States record for the distance.

White Hempt, in an American-made car, had a narrow escape during the trials, when his machine blew a tire coming out of the north turn and tore through the fence.

Word From Explorer McMillan. GARDNER, Mass., May 28.—Donald D. McMillan and his Crocker Land exploring party were well and comfortable on Jan. 22, according to a letter of that date from the explorer received by Levi H. Greenwood yesterday. The letter was written at McMillan's winter quarters at Etah, North Greenland, and came out by dog team.

One Mop is Better than Another

only when it cleans better, polishes better, collects dust better, is easier cleaned, is easier renewed, and gives lasting satisfaction.

O-Cedar Mop

(Reg. U. S. Pat. Office and all principal countries.)

Two Sizes—\$1.00 and \$1.50

Cleans, dusts and polishes all, at one time—the same time—because it is treated with O-Cedar Polish. It collects the dust and cleans as it polishes. It is cleaned by washing, and a few drops of O-Cedar Polish renews it and makes it as good as new. O-Cedar Polish neutralizes the dirt and destroys its power to soil. An O-Cedar Polish feature.

The O-Cedar Polish Mop is round—that means it cleans, dusts and polishes everywhere. Makes it easy to clean those hard-to-get-at places. The heavy padding prevents the marring and scratching of furniture.

Try It Before You Buy It

No O-Cedar sale is complete until you are satisfied and delighted. Simply deposit the price (\$1.50 or \$1.00) with your dealer and try and test the O-Cedar Polish Mop. If you are not satisfied and delighted with the work it does your money will be refunded without a question. \$1.00 size not sold in Canada.
